Stamped the flower image from the “*One of a Kind*” mini set by Altenew on a card panel and colored it using zig markers. I wanted that splotchy look. Added the card panel on a card base with some dimension and added the sentiment from the “*Painted Greetings*” set. Lastly, added some gem stones. I love the brightly colored flowers against that white background and touch of gem stones. Hope you will like this card too.

Thank you so much for stopping by and leaving comments, it means a lot to me. See you all soon with a new post.
