

Happy Birthday!!

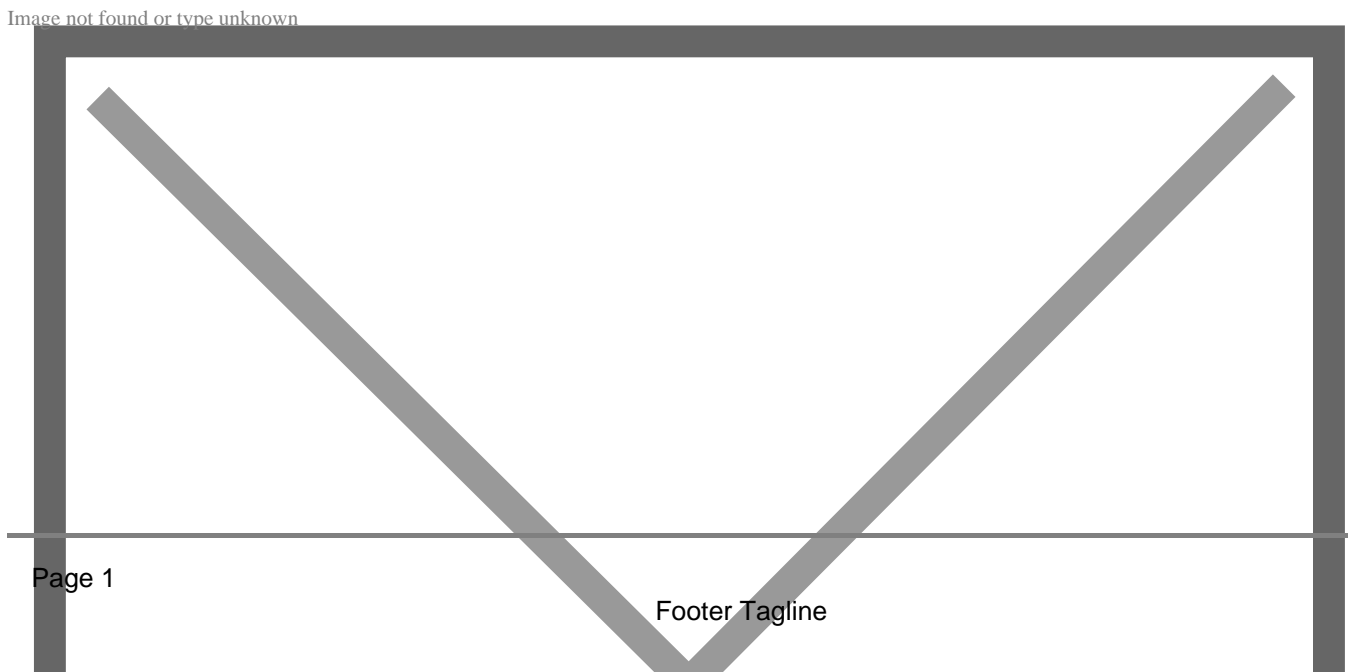

### Description

Hello friends!! I am here with a cute card.

Entering my card for the current "Seize The Birthday" challenge.

Here's my card

---

I used Mo Manning's "Going Up" digi stamp for my card. I colored the images using Polychromos pencils. On a card base I loosely water colored the background for the sky effect. Added the image on it and stamped the sentiment which, is from the Stampendous's "Birthday Wishes" set. It was so much fun to color with pencils, I love that cute images and big balloon. Hope you will like my card too.

Thank you so much for stopping by, see you all soon. ?
