Let's Go For A Ride..:-)

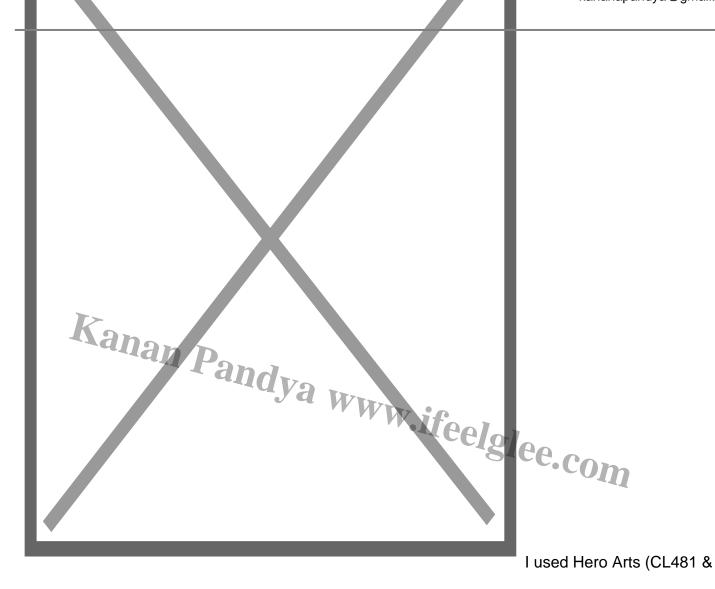

## **Description**

Hello All

Today I am very happy, because first time I participated in 90 minute Scramble which was held on Hero Arts Group by Barb, and It was so unique challenge, you can find about it here.

I used one of the diagonals for my elements (heat embossing, patterned paper and glitter or stickles.) I just love this challenge.

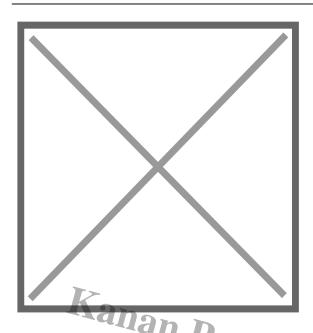

CG171) stamps on Simple Stories and American Crafts paper, I added twine, wooden birds and some Simple Stories stickers and finally added Stickles on flowers and birds.

I am submitting this card for few more challenges, I have tried something new today, and love it, I never heat embossed on patterned paper before and I did it today and I am happy with the result.
