I really like this weeks CASE Study inspiration card by Maile Belles.  
CAS ans very elegant.

I came up with this card.

Image not found or type unknown

I can't get enough of this watercolor techniques, so made one more card, this time with a little tweak. I used food colors on my left panel of card, I got my digital issue of Paper Crafts few weeks back and saw this fun technique used by Sarah J. Moerman and I loved it so much so I tried it too and love the result. On the right panel I have used Distress Ink and splashed few drops of same food colors to balance the color of both the panels. The die cut flower is by American Crafts Everyday collection and sentiment is from Hero Arts (CL371).

Thank you so much for stopping by and see you soon.
