

## A Card And Bookmark!!

To

create this card, I inked the background of a white card base using Distress inks. I used cloud stencil by

My Favourite Things to create a fun background. Printed the deer image from [Oh Deer](#) stamp set. To make a snow hill I die cut a panel using SSS border die and adhered it on the inked background. Added the deer image with little dimension. Added die cut sentiment by Mudra Crafts. Lastly, added some white gel pen details and glitter glue.

Second project

I die

cut the bookmark by using Mama Elephants bookmark die. Inked it using the same cloud stencil by My Favourite Things and some warm coloured Distress Inks. Added white splatter on it. I printed the book image from [Love Fall](#) stamp set. Coloured the image using Polychromos coloured pencils. Added the image with some dimension on the bookmark. I love creating bookmarks and this one turned

out so bright and happy.
