Hey friends!!! Its Tuesday Trigger again!! ?

Well, I love this image, so simple yet trendy.

I came up with this

It is an

Itty Bitty card, I choose the scalloped die by Spellbinders and just like the inspiration picture I kept it

simple. I got this \$1 stamp by "Studio g" from Micheal's it is having the cute little image of Sun and clouds, I stamped the sun with Memento ink. I really liked the white font in the Trigger picture so I thought to white embossed the cloud but it was looking too much white on the card, finally I stamped the cloud on white card stock using Black Memento ink and I guess it looks great. The sentiment is from Hero Arts (CL439) which is long one line sentiment, I stamped the words separately to achieve the exact look of inspiration picture.

Thank you so much for stopping by and always leaving sweet comments, it makes me very happy. ?
