

CAS -If friends were flowers I would pick you

Description

About the Author

Åsa Johansson

My name is Åsa and I'm from Sweden. I live in a little white house in the middle of Sweden with my 16 year old twin daughters. I also have a 21 year old son. I have been working as a teacher for 24 years now and I love my work.

I started with this wonderful hobby in 2007 when I was pregnant with my twins and wasn't able to work. Until a couple of years ago I even created layouts but nowadays it's just cardmaking. My style is CAS. I

love CAS! I'm trying to fill the whole card base with colors and things sometimes but CAS is my thing.

I love cute images and to color them with my copics. And I also like to fussy cut my stamped images instead of die cut them. I know I'm a bit crazy. Pink is my absolute favorite color. I think you can tell if you look in my insta feed.

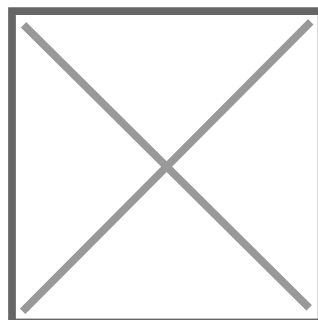

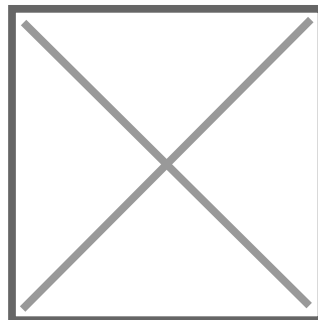

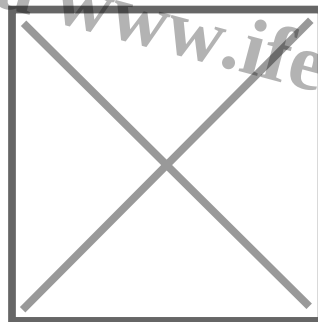

Thank you so much Kanan for this lovely opportunity guesting your blog!
