

Best Chapter!!

Description

Hey everyone. I'm here with a cute card.

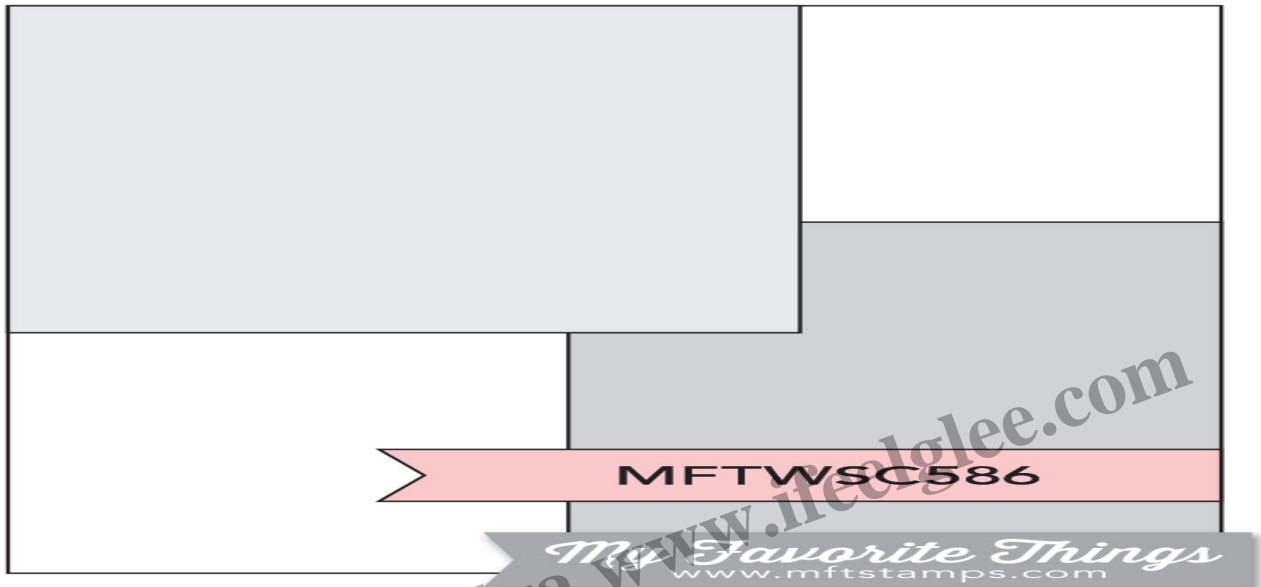

Here's my card.

No image found or type unknown

I am so happy to make a cute card with adorable images after a long time. Made this card using MFT Stamps images, which I coloured using Polychromos pencils. I always wanted to make this day and night scene and when I saw the MFT sketch I knew what I would create. I used my favourite Distress Inks to create the day and night scene. Love how it turned out.

Thank you so much for visiting.
