

## Birdie Card Using Varada Sharma Designs

### Description

Hey friends, I am here with another card which I made using [VaradaSharma Designs](#) October 2021 release "[Whole Lot of Awesome](#)". This release has all the beautiful and most versatile images.

Here's my card

I printed the images on a 110 lb White card stock. Watercolour the cute bird image from the “Here For You” set. After I watercolour the bird, I highlighted the image using Polychromos pencils. I inked the corner of a white card base using Distress Ink. I die cut the leaves using an SSS die. Adhered the die cut leaves to the card base and added the bird using dimension. The sentiment is from the same set. Lastly, I added some sequins and this artsy card was done.

Thank you so much for visiting, I hope you like my cards. I enjoyed using these fabulous images by Varada.
