

Beautiful!!

Description

Hello friends!! Today I am here with slightly new to me project!!

I always wanted to get into scrapbooking since my daughter

born but it never happened until I saw this pretty sketch on Altenew Scrapbooking blog and thought to give it a try.

Hereâ€™s my take.

Kanan Pandya www.ifeelglee.com

layout is very special for me not only because it's my first but also because I have used my daughters picture which I took in the first week after she was born (*She is now three, yes it took me a long time* 😊) I started stamping the images from the "Sketchy Flowers" and "Wild Hibiscus" as they look pretty similar. To color them I used Zig markers, I wanted warm colors so used pink, orange and yellow shades. Added few flower with dimension for more interest. I added the picture, Also, added some splatters. For the embellishments using patterned papers and stickers. The main sentiment is from the "Charmed" set by Altenew. I kept it really simple, hope you will like my layout.

I would really appreciate your comments and suggestions on my layout. Thank you so much for stopping by and see you all soon. 😊,
