- Clear Stamps by **Colorado Craft Co** â€“ Birthday Wishes
- Inks â€“ Distress Oxide Inks

Step-by-step Instructions

Step 1: I made my own stencil to create the cloud on my card base.

Step 2: Used my handmade stencil and Distress Oxide inks to do the ink-blending

Step 3: Stamped the image on watercolor paper and colored it using Zig markers

Step 4: Added a few details using a white gel pen

Step 5: Lastly, add the sentiment.

Step 6: My card was done. I love the look of that stenciled cloud and storybook feel to this card.

Remember to cherish the smiles you bring to others with your creations. Keep exploring new techniques, experimenting with colors, and enjoying the art of card making. Wishing you endless inspiration and happy crafting!
