### Anita Madden

I’m married and we have one daughter and two amazing grandchildren. I’m so fortunate that they live close by and I get to spend lots of time with them!

I’ve been making cards for about 15 years. My favorite stamps are cute and whimsical images and my favorite part of cardmaking is coloring the images. While I occasionally use colored pencils or watercolors, my favorite coloring medium is Copics. Prior to Covid I taught

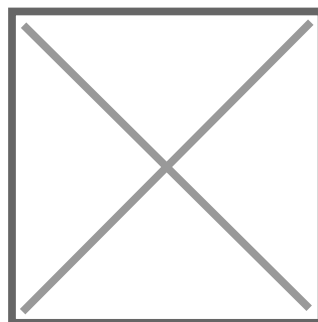

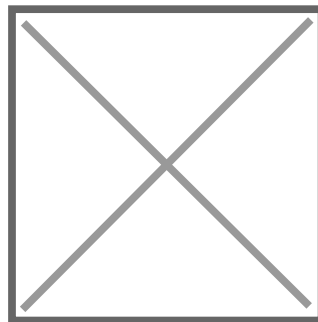

coloring and cardmaking classes at my local stamp store. My other hobbies include cross-stitching, reading, and decorative painting. During the warmer months our family enjoys boating and tubing on our favorite lake!
