

Celebrate!!

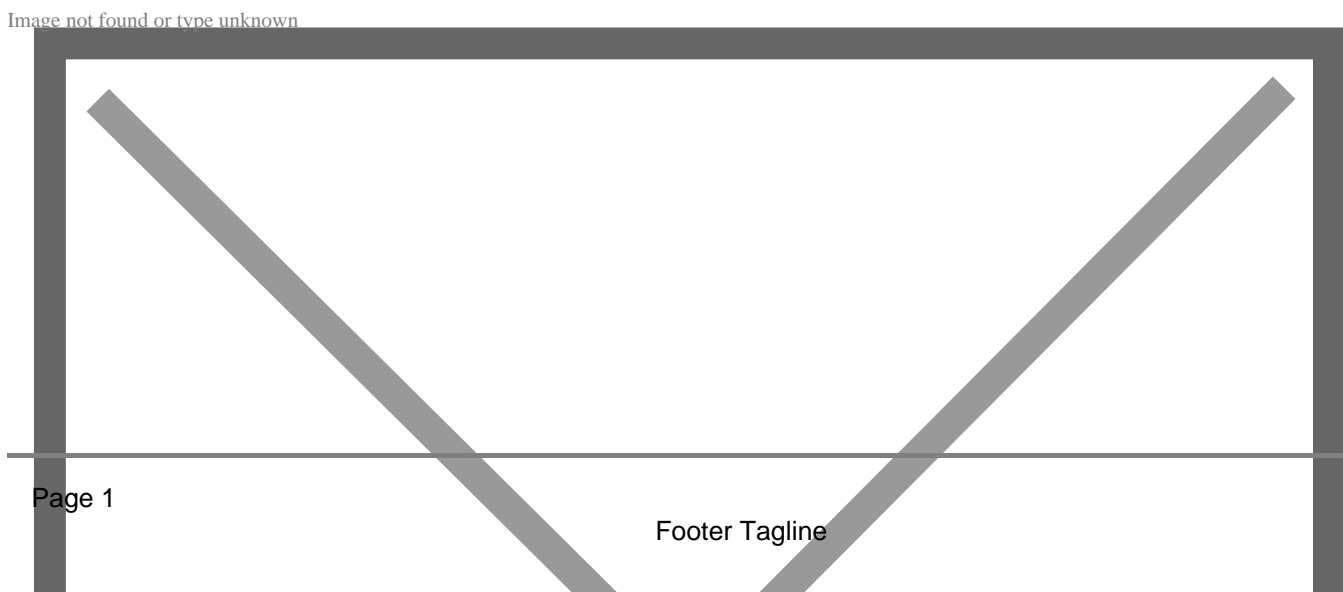

Description

Hello friends!! I am here with a new card.

Beautiful inspiration at Altenew's current monthly challenge.

Here's the card.

I chose one of the flower from the “*Wild Hibiscus*” set by Altenew. I stamped the image partially few times on a card panel using various Memento inks. After that I stamped the whole flower image using black waterproof ink and water colored the flower using loose watercolor technique. Splattered the background using the same colors and added some matching gems and sequins and also added patterned paper strip. The sentiment is also by Altenew’s “*Painted Sentiments*” I have used the exact same design previously on one of my card on which I have used pencil colors instead of watercolors. I love the bright yet CAS look of my card. Hope you will like my card.

Thank you so much for stopping by and see you all soon.
