As I mentioned in my first post, I love the color pallet given in the inspiration picture and lovely cards by May.

Here's my card

I went

little artsy for this card. I took a paper which was having this old book writing on it, I painted it with gesso and after it was dry I colored it using some Distress inks and watercolors with the shades of pink, yellow and red. I got this lovely stamp set by Altenew "Bamboo Roses" and it is so beautiful. I colored one of the roses with my Faber Castel Polychromos pencils, these images are so much fun to color. I fussy cut it and also stamped the same image on that painted panel here and there. For extra interest I white embossed the same flower on vellum. adhere the strip of pattern paper and the flowers on my card panel and lastly added lots of sequins. The sentiment is also by Altenew. Love those vibrant colors on my card with those pretty roses. Hope you will like my card.

Thank you so much for stopping by and see all soon. ?
