Hello friends, I am back with a new card.

finally received my "Remember" stamp set by Hero Arts "Stamp Your Story" collection. So my today's card has all the beautiful images from this new set. ðŸ™, [challenge 8](#)

I like the current challenge at A Blog Named Hero "Inspired By A Hero Artist". So I choose Lisa Spangler. I love how she adds all the beautiful details on her simple looking card, color combinations, patterns, embellishments everything looks so beautiful on her creation. I love her [this](#) card and I have made something similar to her card few days back you can find the [ner](#)

And I just wanted to create one more so I came up with this card.

time instead of tiny background design I choose slightly big heart image from the new stamp set and embossed it in white, after that applied Distress Ink (Wild Honey) and instead of taking different shapes and patterned paper I choose the flower stamp. I applied the ink on flower once and stamped it twice, so I got this two shades. Added some patterned paper by Basic Grey (Banner & Hearts) and lastly added some stickles and pearls. I love how this turned out. All the summer colors. ðŸ™,

Thank you for stopping by and please stay tuned as I am coming back with a new card. ðŸ™,
