I used a Christmas tree image from [Santa's Favorite](#) digital set. I coloured it using Polychromos pencils.

For the background I used Distress inks and did some ink blending. Adhered the tree and added the sentiment and my card was done. Love the CAS design and festive colours together.

Here's the tag,

I coloured the adorable penguin image from the same set using Polychromos pencils. Inked the tag using Distress inks, created this perfect winter sky and added my penguin on it along with the sentiment. You can never have enough of Christmas tags right?

It was so much fun to create these Christmas themed card and tag.

Thank you so much for stopping by. Happy crafting. ?
