Description

Hello all, I am here with a brand new card. On Saturday there was a 90 minutes Scramble by Hero Arts and the most fun part of all this scramble was that I was hosting it. ? And I made three cards and asked the participants to make their own cards using the same theme. I will be sharing the details of the event in my next post. Stay tuned for more updates.

Here is my card

For

this card I stamped the butterfly images with layers. I inked the with Distress inks and sprinkled very little water and then stamped them on left side of my card base and after that added the matching card panel, I die cut all three butterflies and instead of stamping I inked the die cut butterflies and adhere them together and added some gems and embossed the sentiment. I really like the design and all the bright colors on my card. Hope you will like my card.

Thank you so much for stopping by and see you all in sometime as I am coming back with one more card. ?
