Hello all, I am here with a brand new card. On Saturday there was a 90 minutes Scramble by Hero Arts and the most fun part of all this scramble was that I was hosting it.  $\eth \ddot{Y}^{TM}$ , And I made three cards and asked the super talented participant to select any of my card and get inspiration from it and create their own take.

Here is my card

For this card

I stamped the butterfly images with layers. I inked the with Distress inks and sprinkled very little water and then stamped them on left side of my card base and after that added the matching card panel, I die cut all three butterflies and instead of stamping I inked the die cut butterflies and adhere them together and added some gems and embossed the sentiment. I really like the design and all the bright colors on my card. Hope you will like my card.

Thank you so much for stopping by and see you all in sometime as I am coming back with one more card.  $\eth \ddot{Y}^{TM}$ ,
