this beautiful die by Paper Smooches "Single Rose". I die cut two roses using Basic Grey's patterned paper. The best part of this die cut is that you can use both negative and the small petals which came out after die cutting the Rose. I used both on my card. It looks so gorgeous on that splattered background which I made using Zig markers and a paint brush. The sentiment is from Crate Papers "Botanical Garden" paper pad. ( I am actually dreaming of Flowers and Sunshine) :P. I added little butterflies which I cut out of patterned papers. Lastly embellished it with pearls and sequins. I love how elegant it looks with that color palette. Hope you will like my card.

Thank you so much for stopping by and see you all soon. ?
