

Wishing Thank you – Clean and Simple Butterfly Card

Description

About the Author

Hannelie Bester

Hi, my name is Hannelie Bester, I am a South-African living in the United Arab Emirates (Abu Dhabi) for the last 16 years. We moved to the UAE because of a job opportunity that was offered to my husband.

I've been making cards for many years, but I started blogging soon after we moved here! hence the title of my blog!

Living so far away from my loved ones, made me realise just how much I love them. Card making

helps me cope with being far away from home, and challenges my right brain, since I am a left-brained, logical and analytical pharmacist at heart.

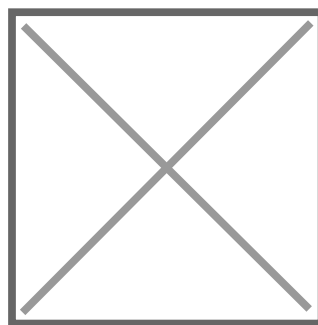

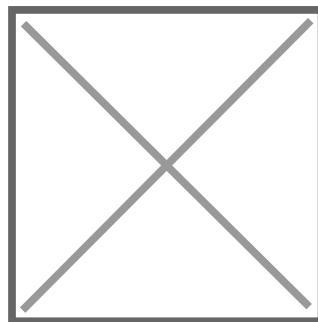

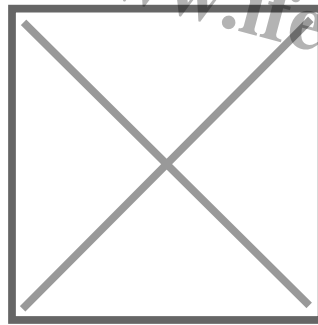

Clean, simple and graphic would be a good description of my cardmaking style.

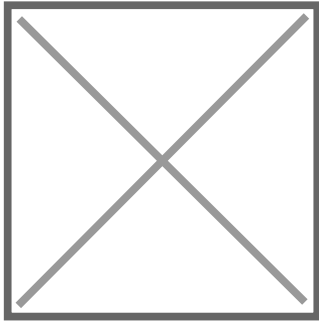

I am thrilled to be featured on Kanan's™ blog today! Thanks Kanan!

Get ready to be blown away by the incredible talent of Hannelie! Today, we have an absolute treat for you—a stunning clean and simple butterfly card that will leave you speechless. Using dry embossing and faux embossing techniques, Hannaleie has taken card making to a whole new level.

Be sure to give her a follow (links below) and show some love in the comments! And tell us, what did you think of this incredible piece of art? Which technique or element did you like the most?
