

Floral Card – Varada Sharma Designs

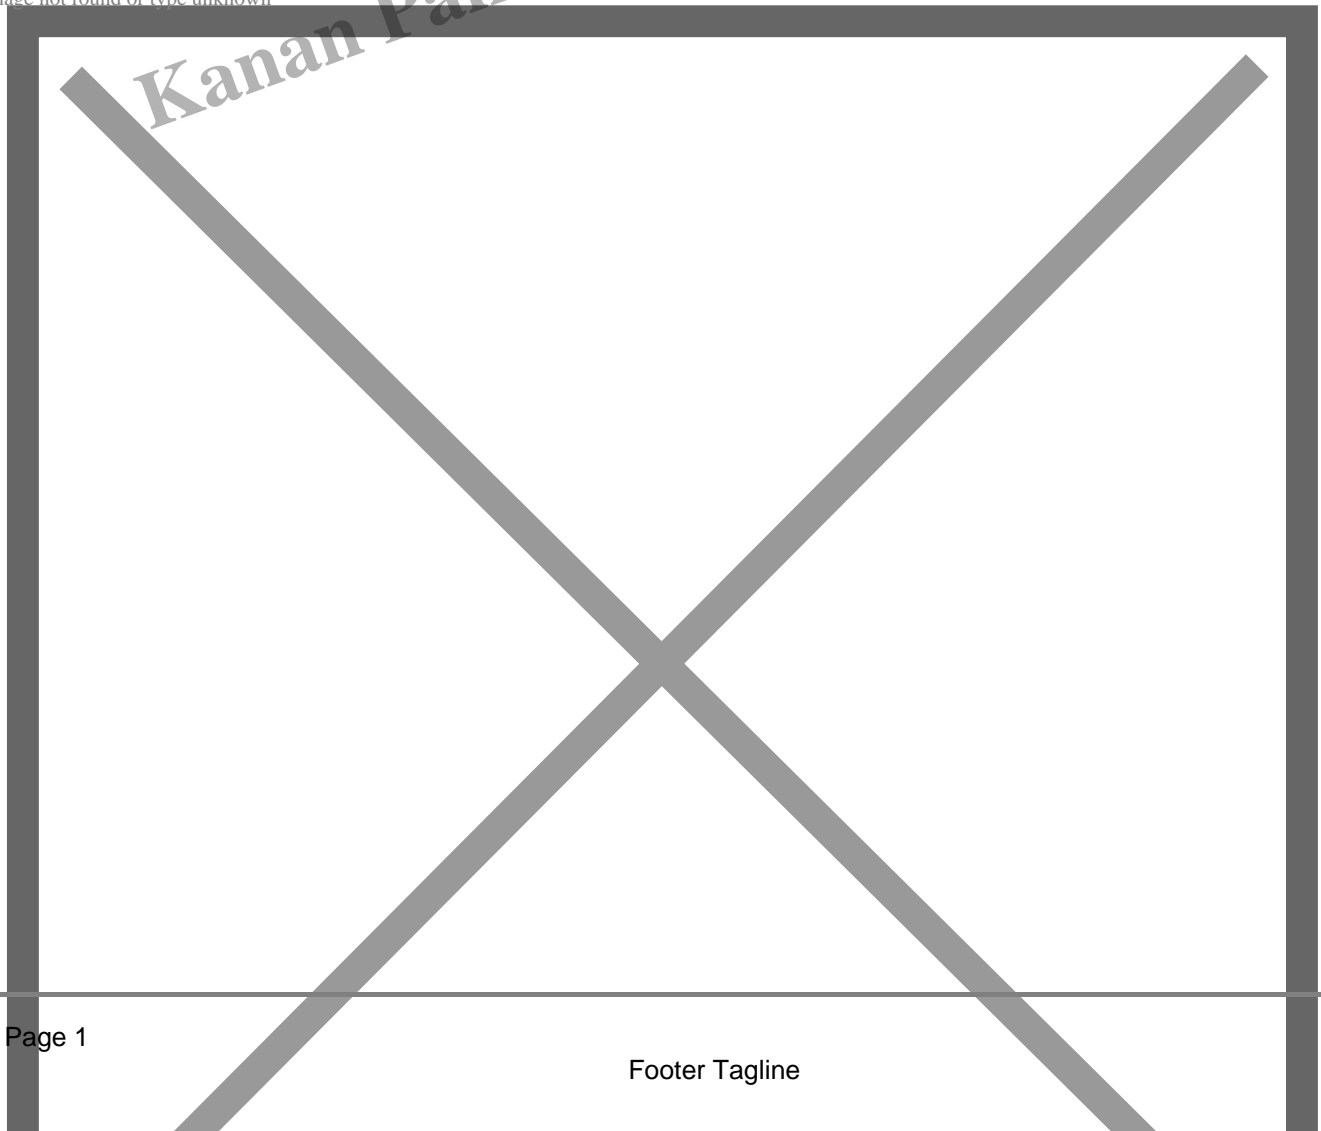

Description

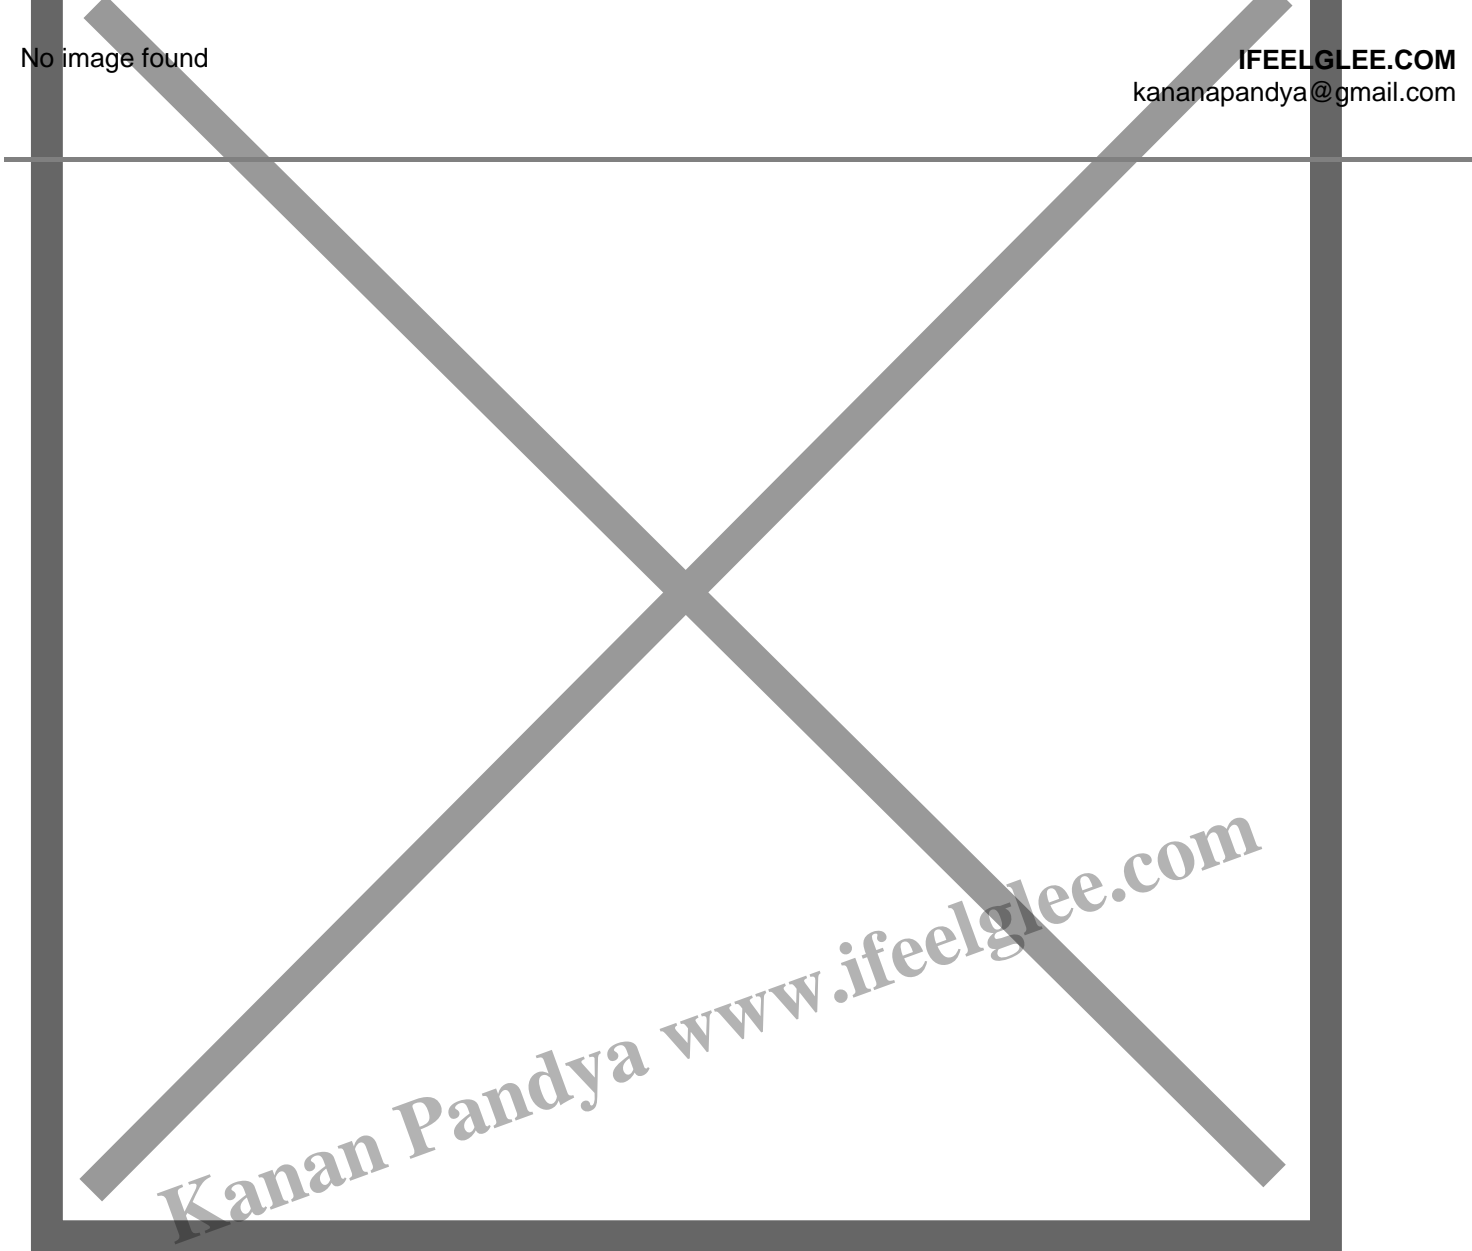

Hello all, today I am on [VaradaSharma blog](#) sharing two cards made using [VaradaSharma Designs](#) October 2021 release “[Whole Lot of Awesome](#)”.

I am going to share one of the two floral cards I made.

Here’s my card

Image not found or type unknown

printed the floral image from the "[Whole Lot Of Awesome](#)" set on a 110 lb card stock. I wanted to colour this image using shades of pink, yellow and green. I decided to use Distress Inks to colour it. I blended the inks directly on the floral image. I cut the image and adhered it using some dimension on a die cut panel. The die cut panel has a slightly pearl kind of shimmer to it, which added lots of interest to this card. Added the whole panel on a white card base and added clear drops. Added some white dots using a gel pen. I am planning to frame this card and so decided to keep it without sentiment. Love this bright and beautiful floral image against that background.

Thank you so much for visiting, don't forget to visit Varada's blog as I have share one more beautiful design using same technique and image. ?
