

Floral Note Card – Varada Sharma Designs.

Description

Hey everyone, this is Kanan from [ifeelglee](http://www.ifeelglee.com). Today I am here with another floral card which I made using “[New Beginning](#)” January 2022 release by [Varada Sharma Designs](#). I am in love with this collection, so fabulous designs.

Here's my card,

Image not found or type unknown

printed out the “[Flower Arrangement – 2](#)” stamp on a mixed media paper. I used Distressed inks in the shades of orange, yellow and red to watercolour this beauty. I also coloured the background, especially around the edges of the image using a grey zig marker for adding some depth and dimension, splattered some drops using black watercolour on the card panel around the image. Die cut the panel for some extra interest and added it on a grey card base. I skip the sentiment for this card. You can print your favourite images, colour them and have your cards ready and add sentiments whenever you need one. This is the big advantage of floral cards as you can add any sentiment for any occasion and that way you always have something ready.

Thank you so much for visiting. Hope you will like my card.
