

Flower Thank You Card – Varada Sharma Designs

Description

Hey everyone, this is Kanan from [ifeelglee](http://www.ifeelglee.com). Today I am here with another floral card. which I made using “[Treasured Heart](#)” February 2022 release by [Varada Sharma Designs](#).

This collection has such fabulous designs.

Here's my card

stamp set for this card. I printed the flower and leaves on a mixed media paper. I used Zig markers to watercolour these beautifully designed images. I used warm shades of red, orange and yellow for the flower. For the leaves I used shades of teal. I deliberately left puddles of colour on some of the petals and leaves for that artsy effect. I love the results as it also creates effects of shading. For the sentiment I used the [Cuppa Love](#) stamp set. When you make CAS cards but still need a little bit of texture to your card then scoring is the best technique you can use. I scored the card base and adhered everything on my card. Added splatters and gem stones to finish it off. Love the CAS look yet the bright colours of the flowers.

Thank you so much for visiting. Hope you will like my card.
