

Follow Your Dream!!

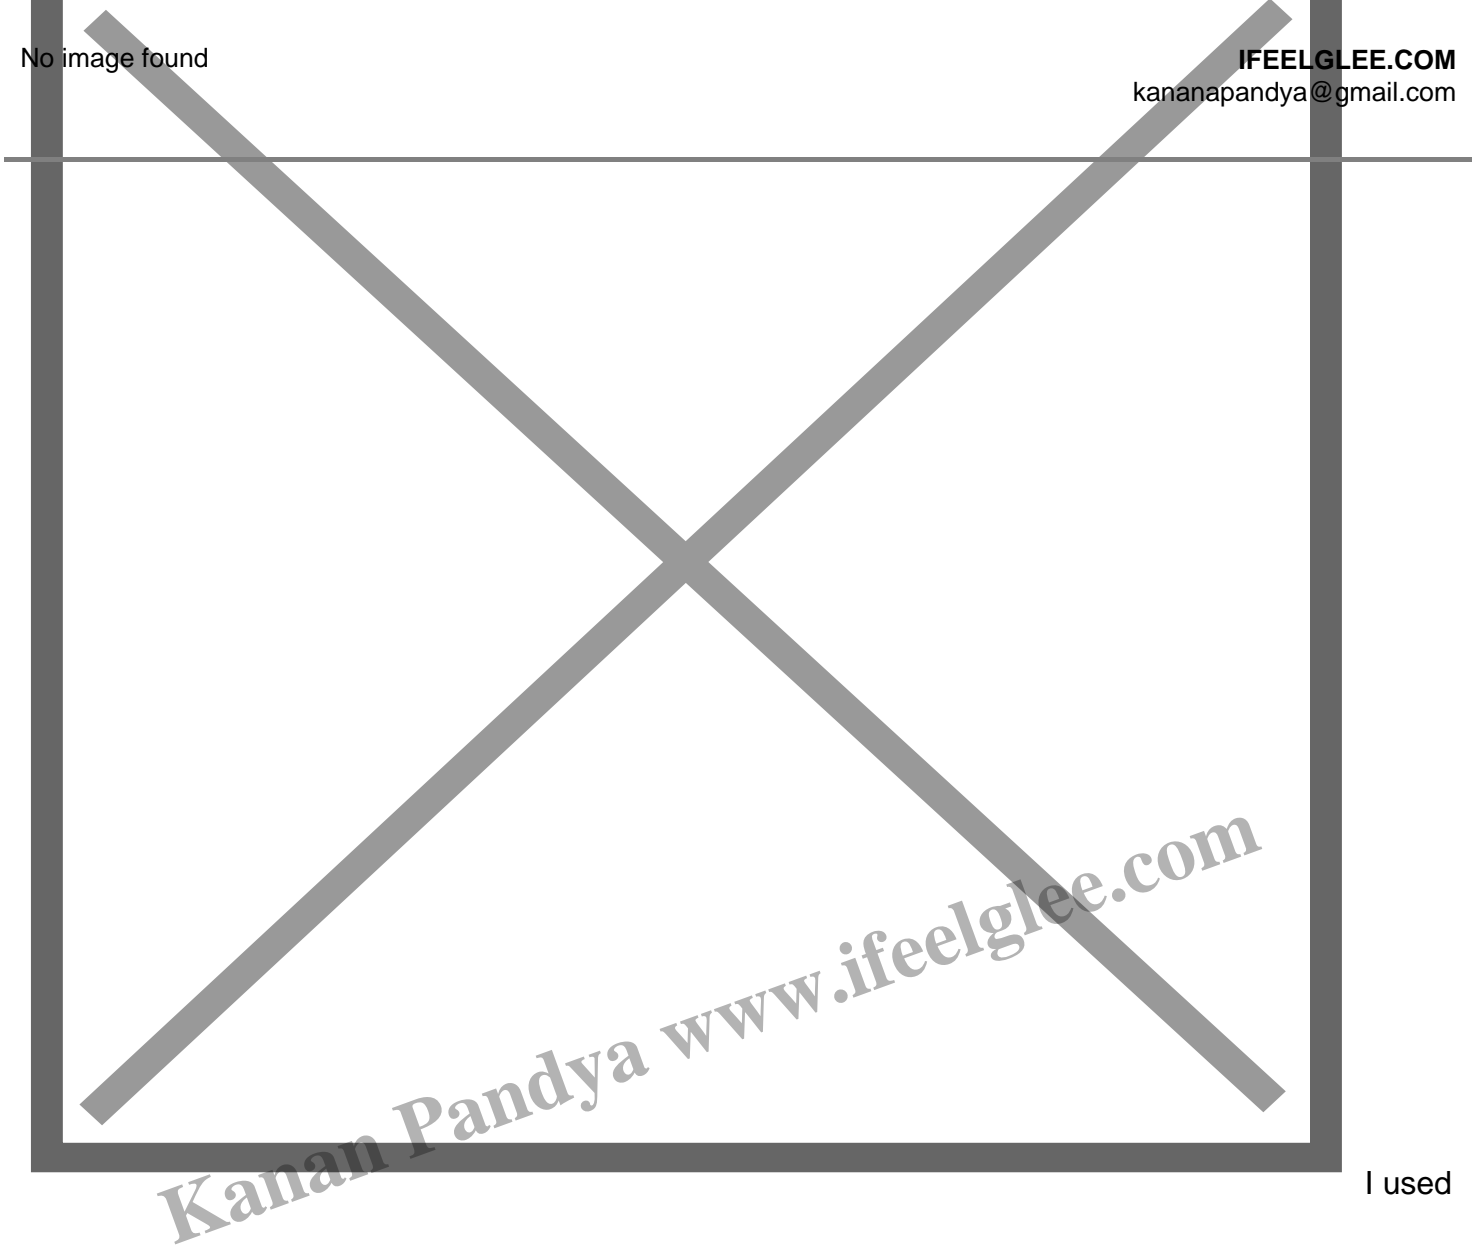

Description

Hello all, I am here with a brand new card.

Here's my card.

Image not found or type unknown

Rachelle Anne Miller's cute "Girl Whale" digital image. This image is so so adorable. I watercolor the background using Distress inks and Zig markers. Since it was not watercolor paper I was really careful. I kept my brush mostly dry and added very little water as I moved. For the stars, whale and little girl I used polychromos pencils. Also, highlighted some of the areas using pencils and white gel pen. The sentiment is from my very first Lawn Fawn stamp "Cruising Through Life" set, which goes so well with this cute scene. I love the end result a lot, the sky and the water looks so dreamy.

Thank you so much for stopping by.
