Hello friends! I am back with a new card.

Image not found of type unknown

the bright card using all Memento inks.

I made

is super cute, this is from Mimi in Paris stamp set. This stamp set is very special to me because it is my very first Penny Black stamp. I used several Memento inks for the background and colored the image using Prisma colored pencils. I punched few butterflies from the same scrap paper on which I have kept my card base to create the background, so it was having all the inks on it, I love the different colored butterflies. Also applied some stickles.

Thank you so much for stopping by. Have a happy weekend. ðŸ™,
