I used various shades of Memento inks to stamp the beautiful layered rose image. It look so so pretty, almost real. The sentiment is from Wild Hibiscus set which I white embossed. I did some white ink splattering on my card base and finally adhere the images on my card base. To embellish added some sequins. I just loved this beautiful card and I think it is perfect for Mothers Day. I hope you will like this video and you will subscribe to my channel.

Thank you so much for stopping by and see you all soon. ?
