

Forever!!

## Description

Hello all, I am back. ðŸ™,

[Forever - A Very Fine Toothed Comb](#) Isn't this wedding comb gorgeous?? Ohh I just love the beautiful work on it and lovely fall colors of it.Â This is the current Tuesday Trigger at Moxie Fab World and I just love it.

Here is my take on the TT.

[Forever](#) I love all the beautiful flowers and detailed work of this wedding comb, so for my card first I inked up two panels with two different Memento inks for the flowers and clear embossed the "Three dotted Flowers" by Hero Arts and layered each of them. I made some felt roses in different sizes and for the leaves I stamped the WPlus9 "Fresh Cut Florals" with Vintage photo Distress ink. I inked up a panel using two different Distress inks (Antique linen and Vintage Photo) and sprinkle some water drops to achieve the bottom color of comb. Finally I adhere them on my card base with few dimension and added few pearls, I also applied inks on my card base. The sentiment is by Hero Arts "Remember" set.Â I love the bright and soft fall colors together. Hope you will like this too. ðŸ™,

Thank you for stopping by and see you all soon. ðŸ™,
