wanted to colour this cute image by amazing [Janes Doodle](#), its a free digital image which I downloaded few months back. Finally, today I coloured it using Polychromos pencils. On a card base I blended two of my favourite colours from Distress Inks and Distress Oxide Ink. (Peacock Feather and Twisted Citron”) and sprinkled some water drops. Added, the image with some dimension. This image is so perfect I decided not to add any embellishment. The sentiment is by Penny Black which I think goes perfect for these cute images. What do you say? ?

Thank you so much for visiting my blog.
