

Friends... :-)

Description

Hello everyone. Hope you all are doing fine. I have a card to share with you all.

[Cooler story 166](#) I made this card, using above colors.

[20130129_203826](#) I hand drew the fence first on a white card base and then color it with Prisma colored pencils. Then I stamped the image of turtle separately and colored the same with Prisma pencils, I add foam adhesive to give some dimension to it, those flowers are paper pieced, both these images are from Recollections stamp, applied some glossy accent on turtle and flowers, I add this panel on my main card base with foam adhesive, the sentiment is from Hero Arts (CL351).

Thank you so much for visiting and always leaving sweet comments, It helps me to be motivated. ðŸ™,
