Hello is my car

this beautiful sticker by Dear Lizzy's Lucky Charm collection, which has this floral design and sweet sentiment on it. I really like the color combination of this sticker and I wanted to make something elegant using it. I choose BasicGrey's patterned papers to match the sticker. I cut two scallop borders and off-white lace and adhere all to the sticker first, after that using some dimension I adhere everything to the front panel. My card base was off-white in color, I inked it with Antique linen Distress ink to match the color of the sticker. I adhere the front panel to my card base and lastly added some pearls and punched hearts with some stickles. I just love all these elements together. Hope you will like this card. ?

Thank you for stopping by and have a great week. ?
