Description

Hello friends!! I am back again with a new card.

Image not found or type unknown

I like making night scenes and today I made a card with one more cute night scene. Also I used my new stamp set "Red and Goldie" by Avery Elle which is super adorable.

I am

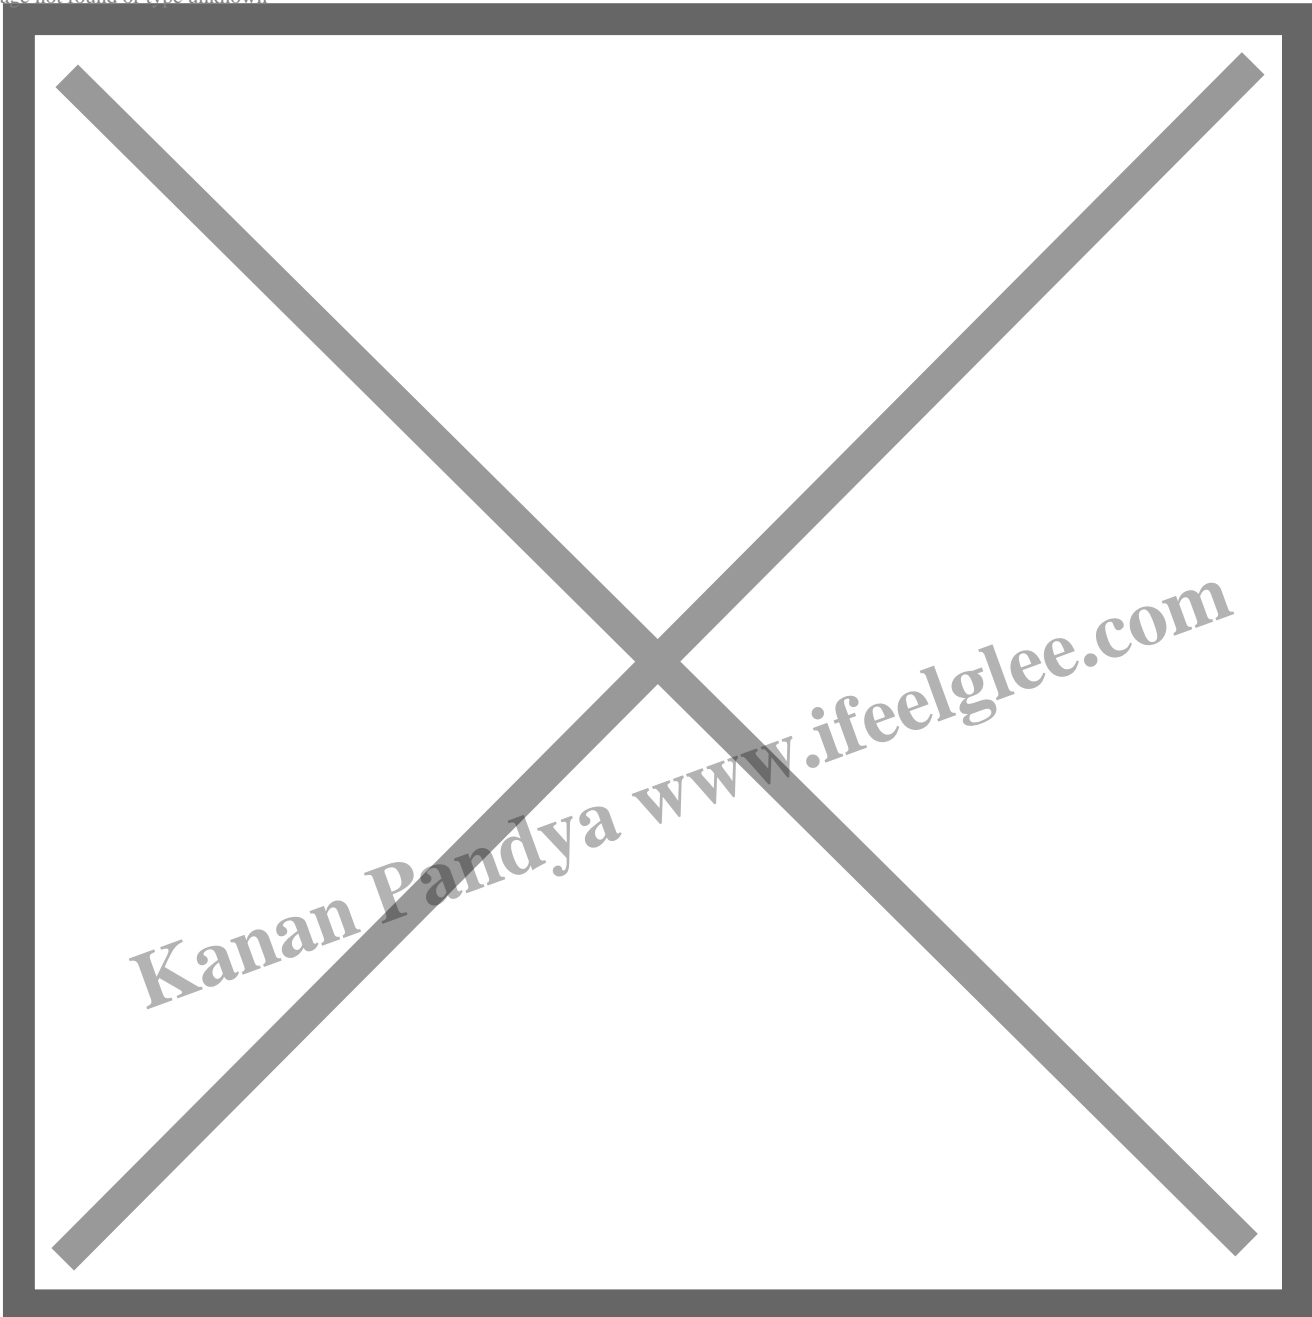

entering it in few of the following challenges.

Here is the card.

I created a scene where those cute little images are gazing at starry sky. I used Memento and Distress inks to create the sky and earth. Used stencil to create the stars and added some stickles on each of the star. I love how it turned out. Hope you will enjoy watching my glittery card.

Thank you so much for stopping by, I will come back soon. ðŸ™,
