Happy Birthday!!

Description

• Hello friends!!! I have a very quick post for you.

Here's my card.

I love this adorable set by Simon Says Stamps and chose few super cute images for my card. I colored these cuties with Faber Castell's polycromos pencils. I colored them in pastel shades. The background was inked with the chalk ink by Martha Stewart, I added some white dots on the background using my gel pen. And finally adhere the images on it. For extra cuteness I added some stickles and doodled some lines and created a frame. Hope you will like this sweet card.

Thank you so much for stopping by and see you all very soon.
