

Happy Birthday!!!!

Description

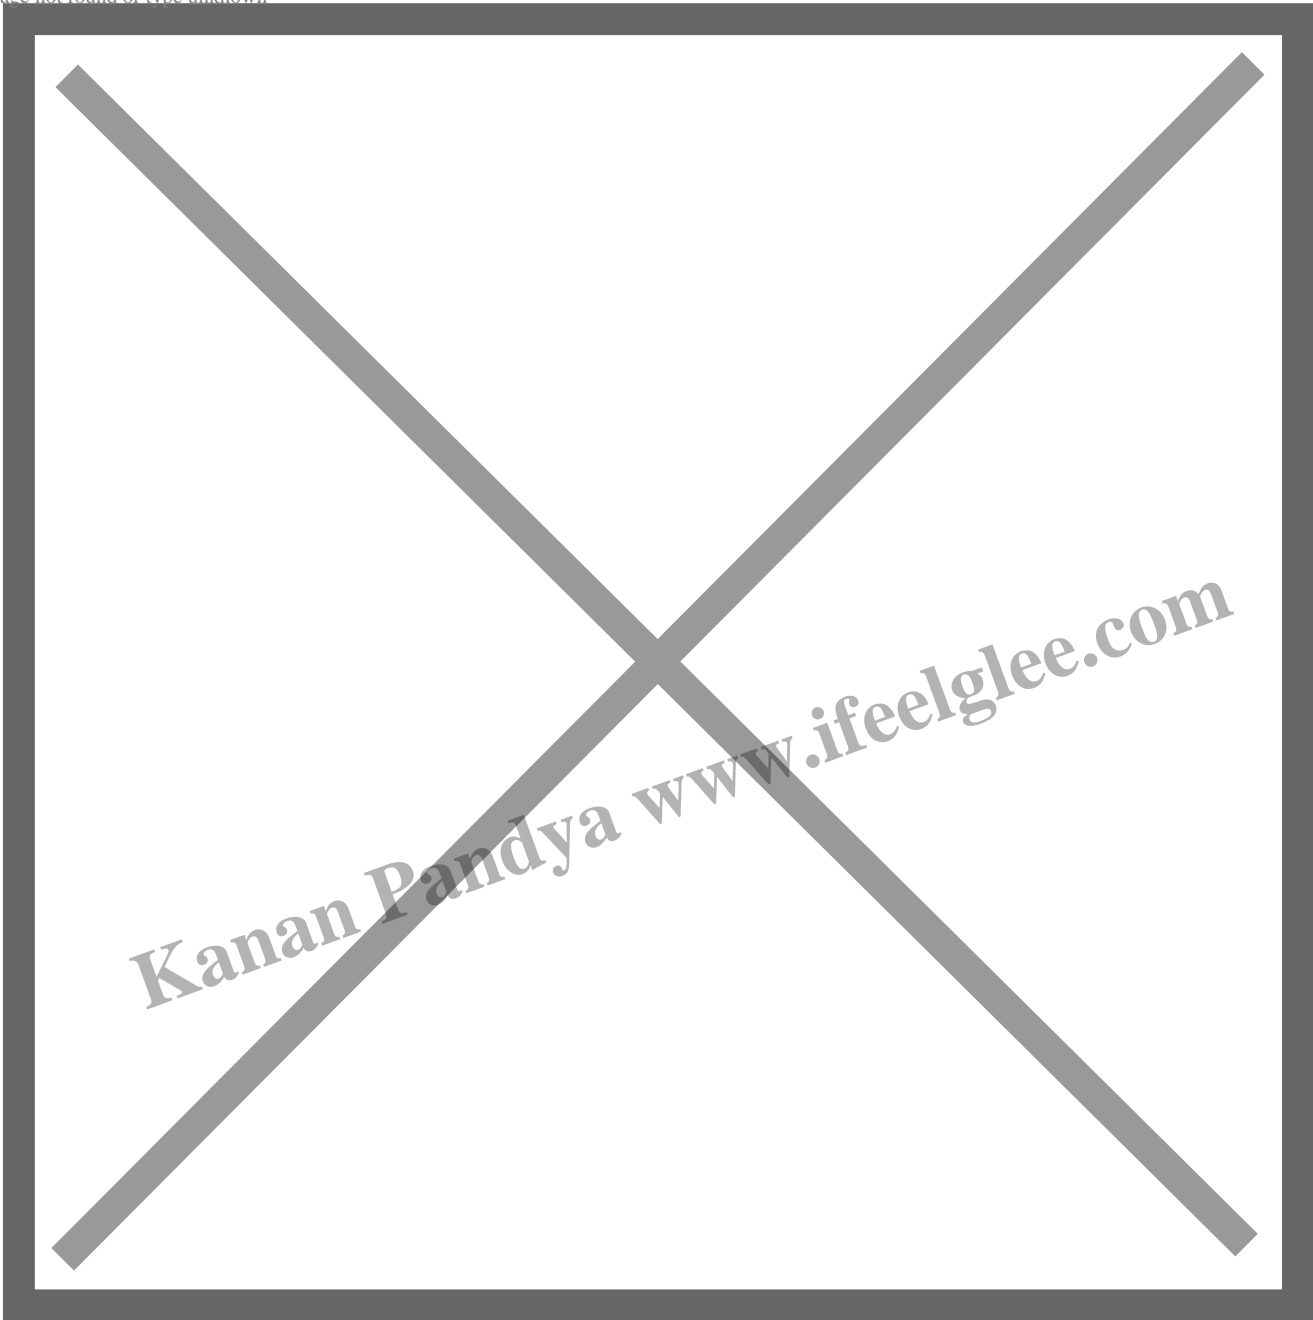

Hello friends, hope you all are doing good. I went on a vacation and visited my sister and her family, it was fun but I really missed my craft space and finally got some time to create something beautiful.

Here's my card.

I colored this doodled flower during the 30 day coloring challenge by Kathy and thought to make a card out of it. The stamp is by WPlus9 and sentiment is by Altenew. I tried for a new design this time. I have seen many cards with this type of design but never tried one before. I love how it turned out. Hope you will like my card.

entering my card in the current CASEploration Challenge by Stamloration. Love the card made by Vijaylaxmi. Bright flowers with striped backgrounds looks wonderful.
