Hello friends!! Hope you all are doing good. Today I made an adorable birthday card.

Here's my card.

I used "

Baby Party Animal" by *SSS*. I only use monkey image and stamped it three time as I am participating in the current *SSS Flickr Challenge*, also used some of the sweet images from the same set to create a birthday scene. COlored the images using *Polychromos* pencils. I inked the background using Distress ink and added some water drops for the most fabulous effect. Added the images with some dimensions, lastly added some stickles because cute birthday cards do needs lots of glitter right? Hope you like my card.

Thank you so much for visiting, see you all soon. ðŸ™,
