

Happy Birthday!!

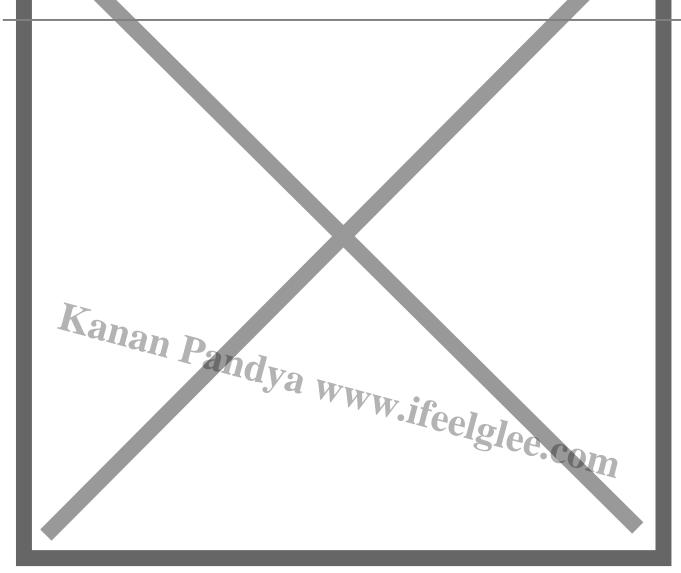

Description

Hello friends, Happy New Year to you all! I managed to make my first card for 2021. www.ifeelglee.com

Here's the card.

I used

my brand new stamp "Birthday Wishes†by Colorado Craft Company which is illustrated by Anita Jeram. I colored the adorable iamges using watercolors. I didn't add any embellishments to this card as the illustrations are so so cute, it looks just so pretty as it is. Just added, bit of colors to the background using Distress Inks and my card was done. Love how happy it looks. Hope you will like this fun card.

Thank you so much for visiting my blog, see you all soon.
