

Happy Birthday!!

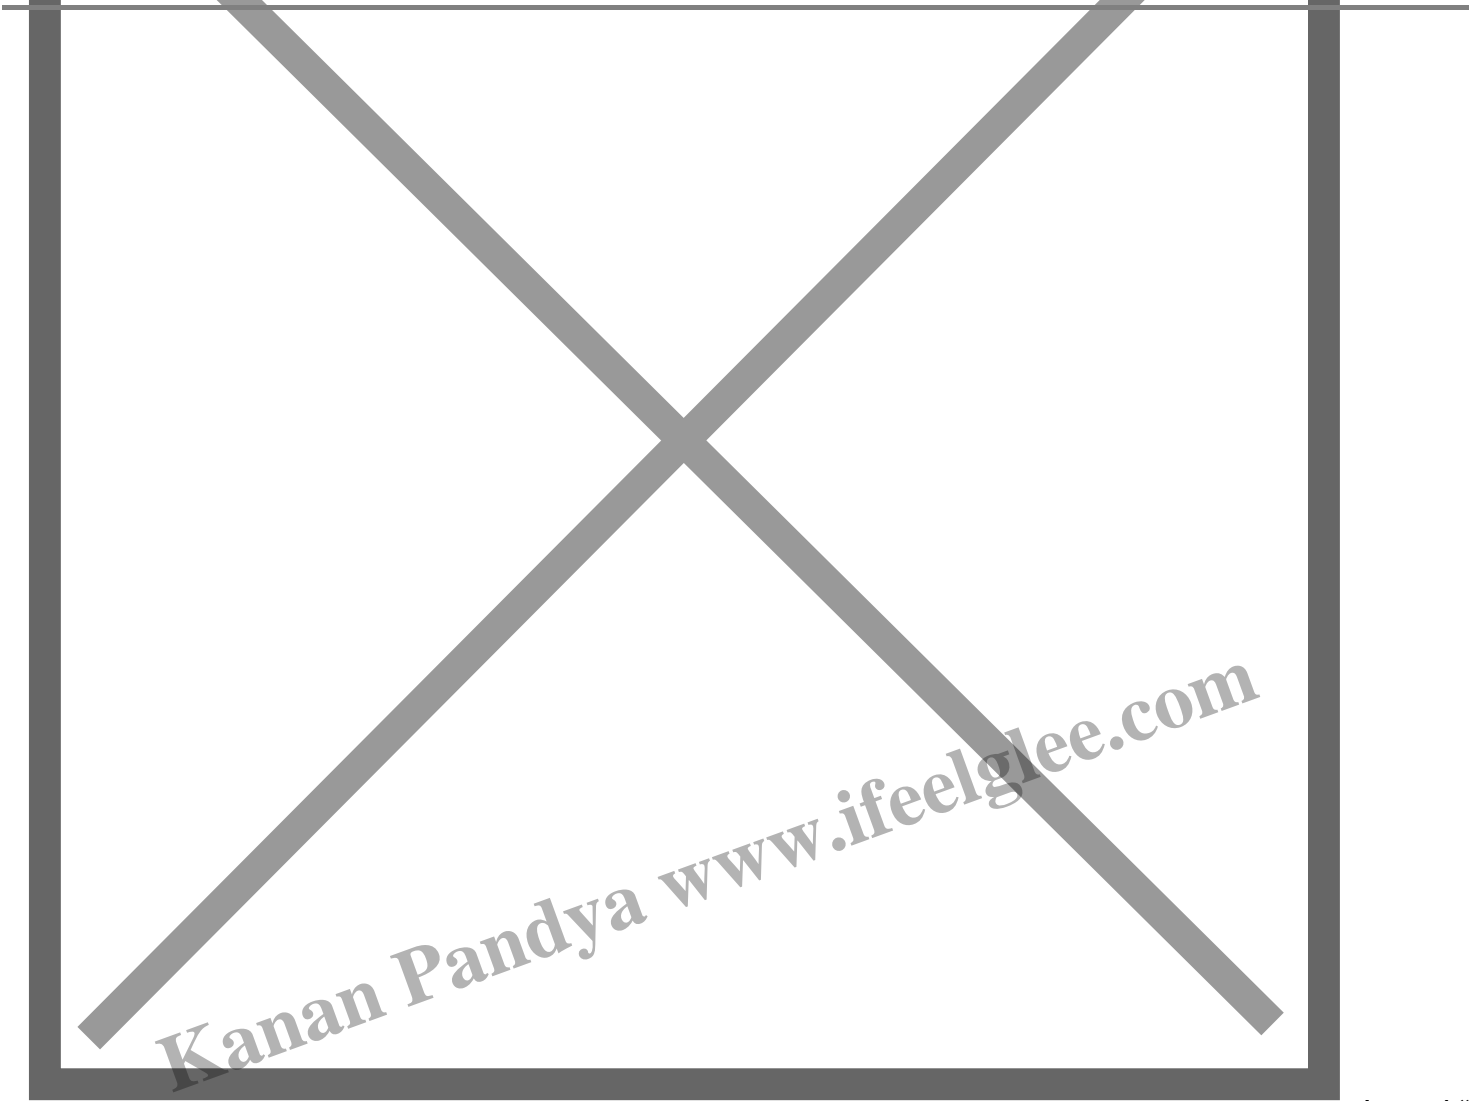

Description

Hello friends!! I am here with a floral card.

Here's my card.

I used “

Forever In Love” by Altenew. I water colored the images using, *Altenew’s watercolors, Zig markers* and also highlighted few of the areas using *Polychromos pencils*. I wanted some texture and little bit of that brown shade on my card base so I loosely watercolor the same brown shade which I used for my leaves. The sentiment is also by Altenew. Love these colors together.

I entering this card in Time Out Challenge and the theme is “YOU” well if you ask me, I love coloring a lot floral and ad critter images, coloring = me, and I pour my heart in today’s card. Hope you will like it

Thank you so much. See you all soon.
