

Happy Birthday!!

Description

Hey everyone!! I am here with another cute birthday card.

Here's my card

No image found or type unknown

I used Jane's Doodle's "Surf's Up" set for this card. I made similar card few months back you can check that card [here](#). and thought to make one more card with little different design and colour combination. I masked and created my own wave pattern. Love the ink blending which I did using Distress Inks. Coloured this darling image using Polychromos pencils. Love how adorable it looks.

Thank you so much. See you soon. ?
