

Happy Birthday and a good news!! :-)

Description

Hello friends!!!! ? I am so excited today to be back to my creativity as I was away for quite a longgggg... time and well I was away for a very good reason. On 13th November me and my husband welcome our new bundle of joy. I am so delighted to share that we had a new baby girl and we named her "Sara". Being a mother is very challenging but more importantly very rewarding. ?

I made a birthday card using my favorite Penny Black stamp.

Here is the card

the cakes and wishes stamp set and colored my image using Prisma colored pencils. I water colored the background and tried to give the ombre effect. Embellished the card with punched butterflies on which I applied Martha Stewart's glitter and also added some gems. Love all the bright colors on my card.

Thank you so much for stopping by see you all very soon. ?
