I wanted to create a cute scene keeping the sketch in my mind. So colored all the adorable images by Simon says Stamps from their " Baby Part Animal" and "Abby's Spring Showers" set using Polychromos pencils. I fussy cut a scalloped edge strip from a patterned paper and inked the bottom of the card base using Distress ink. added everything on the card base using dimensions. Used some chipboard stickers to embellish the card. The sentiment is also by Simon Says Stamp "Happy" set. Love how it turned out and though the stamps are not from Christmas collections it goes well with the theme. Hope you will like my clean and simple yet bright and happy card.

Thank you so much for stopping by and see you all soon. ?
