the color combination given in the inspiration picture. The combination of navy blue and yellow looks beautiful together. For my card I chose two beautiful stamps by Altenew “Vintage Roses” and “Watercolor Wonders” I wanted the look of vintage ceramic plate kind of look for my card. I stamped few of the images using three different blue shades of Memento inks onto a white card stock. For the yellow color I took a strip of yellow card stock and stamped the sentiment from the “Hannah Elements” set onto it. I love the simple design and pop of yellow color on this card. Love how elegant it looks. Hope you will like this card.

Thank you so much stopping by and see you all very soon. ðŸ™,
