Have a Great Day!!!

Description

Hello friends!!! I am back with a new card.

Here is my card

I always love Penny Black stamps and today I made a card using one of my very favorite stamp "Bed of Rosesâ€. I heat embossed the stamp image and then water colored the roses and leaves. I also water colored the background of my card base where I was going to adhere my roses and after that I adhere the roses and leaves using some dimension adhesive. finally added the glitter. The sentiment is also by Penny Black. Though it involves embossing and watercolor still it was very easy and quick card. Hope you will like my card. ðŸTM,

Thank you so much for stopping by and see you all very soon. ðŸ™,
