I am

entering into the current Fusion Challenge. I love both the sketch and the color combination but for this card I chose the sketch.

Here's the card

---

my new year's resolution is to use all those pretty unused stamps. Today I used one of my favorite stamp by Penny Black "Floral Applique" which I white embossed and colored using my new love Zig clean color real brush pens. The background panel is also colored using Zig pens and then stamped using one of the Tim Holtz stamp which has this old handwriting effect. I also Inked the background lightly using "Peeled Paint" Distress ink, added the sentiment which is by Altenew. Lastly added some sequences. I love how bright and pretty that flower looks with all those colors. Hope you will like my card.

Thank you so much for stopping by, stay tuned as I am coming with one more card. ?
