I am

entering the current "The Flower Challenge" along with few other challenges.

Love

all the soft yet bright and happy colors of the current "Curtain Call Challenge" inspiration picture.
Here's my card

I got

this dies from Simon Says Stamp "Single Roses" few days ago and wanted to use it. I dies cut flowers and leaves. I used Distress inks to color these flowers and leaves. I colored the border of those flowers and leaves with darker shade and went with the same ink applying very lightly on the inside of flowers and leaves. I inked the background using Peacock Feather Distress ink. Arranged all the dies cuts on the card base. The sentiment is also a die cut from SSS "Painted Hello" which I die cut and inked using the Distress ink. Finally added some sequins and stickles. I love the bright yet simple look of this card. Hope you will like my card.

Thank you so much for stopping by and see you all very soon. ?
