Hello everyone!! I am here with a new card.

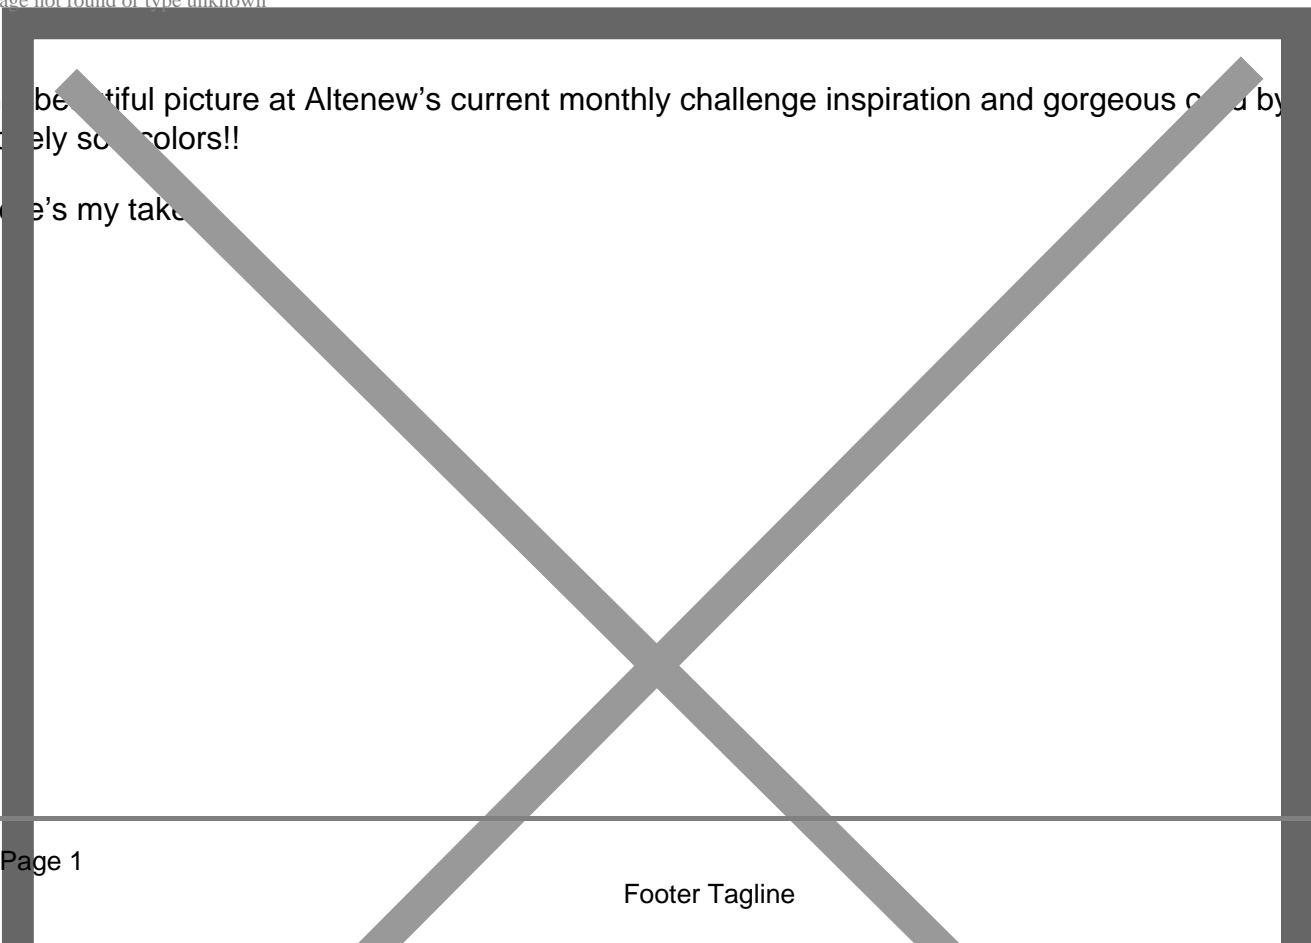

Love

the beautiful picture at Altenew's current monthly challenge inspiration and gorgeous card by Debby, Lovely soft colors!!

Here's my take

colored the flower from the “Beautiful Day” set few months ago during the 30 Day Coloring Challenge by Kathy. I wanted to achieve the white flower look with no line coloring technique. This was my first try and I loves the result. I never used that flower so when I saw this beautiful inspiration picture I thought to use it. White embossed the leaves and buds images from the same set and colored them using copic colors, zig markers and Artists Loft Watercolors and fussy cut them. I water colored the background using the zig makers and Artists Loft Watercolors and used stitched die on edges. Adhered everything on the panel. Lastly, added some sequins and some wink of stella shimmer pen on flowers. The sentiment is white embossed and it is from the “Hennah Elements” set. I love how the water colored background turned out!! Hope you will like my card.

Thank you so much for stopping by and see you all soon. ?
