It's birthday celebration week3 at Wplus9 blog and I am playing along with the current Trend Watch Challenge.

I made this tag.

I love watercolor effect on any project. I guess watercolor trend is evergreen. I created a background for this tag using some bright colors and on that I used my favorite Layered Butterfly Die by WPlus9. I inked the each layer using Distress inks and sprinkled some water and adhere them. I used this Amy Tangerine's banner which was having this grey and white chevron patterns on it. I really like the little bit of white and grey with these bright colors. I also added some black gems and watercolor splatters. The sentiment is also by WPlus9 "Fresh Cut Floral" set. Love this tag with all the bright color and watercolor effect, hope you will like this tag too.

Thank you so much for stopping by and please stay tune as I am coming back with one more card.
