Challenge graphic 4 revised I am also submitting my card for the 30 Day Coloring Challenge.

Here is my card

this super adorable set called "Red & Goldie" by Avery Elle. The current challenge is to add stripes on your project. I masked my front panel with few washi tapes and then inked it with Distress and Memento inks, I wanted this lovely combination of pink and orange. I then colored the images using Prisma pencils and adhere them through one of the stripes with some dimensions. Stamped the sentiment and added some glitter. LOVE the simple design and all the bright colors of my cards, hope you will like my card too.

Thank you for visiting and leaving lovely comments, see you all very soon. ðŸ™,
