Description

Hey friends, hope you all doing fine. ? Happy Monday!!!

Ok so Spring time is near....thought to make a happy card and got inspiration from Teri Anderson's this card

Love her card, pretty design with great details.

I came up with this card.

[20130304_173024](#) I used American Crafts & Recollections paper, used Memento ink to distressed the top panel of the card. I love this journaling card from Simple Stories, it has the telephone image on it and thought that it will go perfect for this card, I also used wooden bird, which I colored with the same Memento ink, for the sentiment used Hero Arts stamp set (GL371 & CL141),also used washi tape and lastly doodled some music notes and flowers.. ?

Thank you for visiting. ?
