know me then you must have an idea that I love to draw and sometime I add my hand drawn illustration on my card. For this card I hand drew a tulip image and colored it using some water colors. I kept the background pretty simple as I wanted that artsy look for my card so I added some matching splatters and added the sentiment which is from Altenew. I love how it turned out. Hope you will like my card too.

Thank you so much for stopping by and always leaving sweet comments on my blog. See you all soon.
