[challenge 26](#) I am entering this card for current challenge at A Blog Named Hero along with few other challenges.

Here is what I made.

always love Basic Grey's patterned papers, great designs and colors. I made a collage panel using some Basic Grey's papers (Sweet Threads, Hello Luscious, Serendipity) which were having different designs and patterns on them. I colored the doily using different Memento and Distress inks and adhere it on a kraft tag. The sentiment is by Hero Arts (CL351). I gave little bit of dimension to the main panel and tag. To balance the colors between the tag and main panel I added burlap to the tag. Lastly added some gems and gold stickles. I always love bright colors against kraft. Hope you like it too.

Thank you for stopping by and have a great weekend.
