

I Love You!!

## Description

Hey friends! It's time for a brand new May challenge over at [Stay Crafty With A Blog Named Hero](http://www.staycraftywithahero.com). Our theme is "Get Scrappy" - amazing theme right? We all have lots of scrap papers in our stash and possibilities are endless like paper piecing, or a collage, or use scraps to die cut.

Here's my card.

[DI491 Paper Layering Feather \(A\)](#) by hero Arts for my card. Like every card maker I have tons of scrap paper and I'm a hoarder so I don't go through any of it. These patterned papers are very very old and I decided to use them for this wonderful theme. I die cut the feathers and adhered them on a panel and added my sentiment from Hero Arts [Paper Hug Stamp & Cut](#) set. Added some gemstones and added the whole panel on a card base. Love the mix of bright and soft colours on this CAS card. Don't forget to visit the blog for more inspiration from our design team members.

Thank you so much. ðŸ™,
